MOTION TO EXTEND TIME, WITH CONSENT

A response to Applicant's Counterclaims in the above-captioned proceeding is currently due November 17, 2006. Opposer moves for an extension of time of thirty (30) days within which to answer Applicant's Counterclaims or otherwise plead. By virtue of the fact that the thirty day period ends on a Sunday, the extension shall be until and including Monday, December 18, 2006.

This request is sought for good cause and is not made for the purpose of delay. A proposal for settlement is currently under consideration by Applicant. The requested extension is needed to provide the parties additional time to conduct settlement negotiations without the need to divert their attention to the preparation of pleadings or discovery.

Counsel for Applicant consented to the requested extension in a telephone conference with Michael G. Frey, on November 17, 2006.

Respectfully submitted,
